

### Ready to Use

The patented Thermal Ring is easy to use, always ready, and intrinsically safe. The Thermal Ring is affixed to the Gastec pump and is perfectly calibrated to work with the Gastec Gas Sampling Pump and Detector Tube Systems.

## Thermal Ring

### First On-The-Spot Ambient Temperature Display for Gastec Gas Sampling Pump

#### Increases Safety

The Nextteq Thermal Ring takes the guesswork out of reading detector tubes impacted by ambient temperature. Ambient temperature is an important consideration when measuring certain chemicals with any sampling pump and detector tube system. Detector tubes are calibrated at a specific temperature and increases or decreases from this temperature can impact the reading. Results from under-reported or over-reported chemical levels can create an unsafe condition. The Thermal Ring increases safety and reduces risk by allowing you to accurately correct for temperature changes on-the-spot.

#### Saves Time

Simultaneous measurement of ambient temperature and gas levels saves time and money—no extra steps or equipment needed.

**Order A Gastec Gas Sampling Pump with Thermal Ring Today!  
Call Your Local Authorized Nextteq Distributor**

**A Thermal Ring is included with GV-100 pumps in  
Gastec Gas Sampling Pump Kits: GV-100-S-TR and GV-100-SOHA-TR.**

Add a Thermal Ring to your current Gastec Gas Sampling Pump. Order TRK-GV-100 (\$3.90 List Price).
